Core bit laser

BETO

DRY DRILLING IN CONCRETE
(with soft percussion and dust extraction)

CONCRETE (also reinforced)

– very fast cutting

– universal use

Standard 1¼" UNC connection

**BETO for more productive work,
where concrete must be drilled dry
without the use of water**

300 mm
effective length

with special tube

NEW mixture
and proven block
segments, the eco-
nomic solution
for dry drilling
in concrete
